Coming Soon from Big Sister

SafeSister

quality protection, sisterly care.

WHY WE LAUNCHED SAFESISTER

Our team at Big Sister, has spent over a decade supporting healthcare businesses around the world. One thing we hear time and time again? **PPE is overpriced, inconsistent, and unreliable** — especially for small providers.

SafeSister was born to change that.

We're launching our very own PPE brand, built specifically for homecare and healthcare businesses who deserve better. Better pricing, better quality, and better service — with no hidden fees, no middlemen, and no compromises.

This isn't just
another supplier.
**It's your Sister
in Safety.**
